LAWN CARE PLAN CENTRAL TEXAS

Most people like a beautiful, green lawn, and often use more fertilizer and water than necessary. More mowing, higher water bills and excess work bagging grass clippings are often the result.

Now consider not bagging our grass. With the **Don't Bag It** lawn care plan*, you won't have to stop every 10 minutes to empty your mower bag. By leaving the clippings on the lawn and allowing them to work their way back into the soil, you will produce a beautiful, green lawn.

Grass Clippings also make excellent compost for gardens. Compost use is the best way to improve garden soil because it returns nutrients to the soil and improves the soil's physical characteristics.

Homeowners following the **Don't Bag It** lawn care plan report that they mow their lawns in 38 percent less time than when they bagged the grass clippings. They also say their lawns are 30 percent better than they were before **Don't Bag It**.

Between March and September, the volume of residential solid waste increases 20 to 50 percent because of the grass clippings.

During the spring and summer months, grass clippings strain the garbage collection system, using up valuable landfill space.

Recycle your lawn clippings and save time, energy and money. Do your part- **Don't Bag It**.

Mowing Plan

The rule of thumb for mowing home lawns is not to remove more than 1/3 of the leaf surface at any one time. With this mowing schedule, you no longer need to bag your grass clippings.

Grass clippings left on your lawn will not contribute to thatch, but will return valuable nutrients to the soil. They usually contain about 4 percent nitrogen, 0.5 percent phosphorus and about 2 percent potassium, as well as all the necessary minor elements plants need.

*Developed by Bill Knoop, Extension Turfgrass Specialist and George Alston, Extension Agronomist in Texas A&M University System.

Type of Grass	Mower Settings (inches)	Mow when or before grass reaches this Height (inches)
Common Bermuda	1½	2¼
"Tif" Bermuda	1	1½
Buffalo	2	3
St. Augustine	2	3
Tall Fescue	2½	3¾
Zoysia	2	3

Annual Children's Garden Fair

Come let the kids explore the world of gardening, with plenty of different activities for all the kids to have fun, from scavenger hunts, leaf rubbing, worm composting and many more. This event is co-sponsored by the Master Gardner's and The Arboretum Board every fall at the Carleen Bright Arboretum. For more information, please call 399-9204.

Dodge-ball Tournament (February)

A whole lot of fun for a good cause. The Woodway Youth Commission hosts a Dodge-ball Tournament at the Woodway Family Center, for high school students, to help raise money for local charities. For more information, please call 772-4470.

Mother Daughter Spring Tea (May)

Come wear and share your favorite hat, also show off your most cherished dolls. This fundraiser is held every spring at the Carleen Bright Arboretum. For more information, please call 399-9204.

Family Movie Night (August)

Join the City of Woodway for The Original Family Movie Night. Held on the Woodway Family Center Lawn, just bring your blanket or lawn chair sit and enjoy A G-Rated movie, lemonade, sno-cones, popcorn, s'mores, and hot dogs. The best part is its all concessions are free. For more information please call 772-4470.
